Team Coordination Notes

Aspect	Details
Team Leader / Coordinator	Yuvraj Shrivastava (individual project owner and sole contributor).
Overall Team Coordination Rating (1–5)	Not Applicable: there was no multi-member team to rate. Individual planning and execution were managed by the project owner.
Any issues during demo	No completed live demonstration incident has been reported. Potential presentation risks include internet availability, Tableau Public loading and browser compatibility.
How issues were resolved	For rehearsal, verify the website and Tableau Public links in advance, keep the direct Tableau URL available as a fallback, and use saved screenshots if the live service is temporarily unavailable.

Important: This form records the actual individual contribution structure. It does not claim participation by classmates, mentors or evaluators as project team members.
